

# Mt Roskill Intermediate School

## Learning Workshops for Parents Morning & Evening

*Parents of MRI students are warmly invited to the school to find out about our Literacy and Maths programmes*

## Wednesday 28th March

Morning Start time: 9.00 – 10.30 am

Evening Start time: 6:30 – 8.00 pm

There will be a crèche available for families that need to bring younger children along to the workshops.

Learning has changed a lot over the last few years. It is different from the way that many of us learned at school.

### Come along and find out:

- What learning is like for your child at MRI
- What you can do as a parent to support learning
- What we are doing as a school with digital learning and cyber safety

For planning purposes, can you please return this slip to indicate that you will be attending one of the Learning workshops on Wednesday 28 March or email to [admin@mri.school.nz](mailto:admin@mri.school.nz)

Yes, I will be attending the Morning workshop at 9.00am Wednesday 28nd March

Yes, I will be attending the Evening Workshop at 6.30pm Wednesday 28nd March
